# Brand Intro

A Silver Circle is a brand all about creating beautiful contemporary handmade products. The ASC Collection ranges from Jewellery to Stained Glass homewares. Sustainability is a key focus in the business in both material selection and studio practices. Inspiration is taken from world history, architecture, landscapes and spirituality and refines these ideas into clean modern pieces to adorn the body and the home.

## Hi Everyone!

I am Corinne, the hands and the brains behind A Silver Circle. I have always had a passion for creating objects and love learning new ways to express my creativity. I hand make each piece in my Southern Highlands light filled studio. This colourful space looks out to the garden and is

filled with crystals, mood boards and inspiring objects.

My dog Cedar is always hanging out being cute and a little bit distracting!
